Dear Member,

Please find in Livelink EN 12899-1/prA1, EN 12899-3/prA1 and prEN 12899-6 as documents N 58 to N 60.

These documents have been agreed in the Task Groups and have been approved by the CEN Consultant for further official steps. The documents N 58 and N 59 will be forwarded to the TC Secretariat for initiation of the UAP and Doc. N 60 will go to Formal Vote.
